

Your membership in the Minnesota Public Transit Association makes a difference! The more members we have, the stronger our voice can be in advocating for transit.

Membership allows MPTA to work on your behalf to increase transit budgets – both for operations and for capital projects and capital equipment.

“Membership is well worth it! I receive the communication I need to stay informed and communicate with my legislators, clients and community members.”
Erlene Welshons
Rolling Hills Transit

“Each and every transit operator in this state has a higher level of funding because of MPTA and its ability to advocate and inform in a unified, respected manner.”
Craig Rempp
MPTA President

MINNESOTA PUBLIC TRANSIT ASSOCIATION MEMBERSHIP

Join Today!

The Minnesota Public Transit Association (MPTA) is the only organization in Minnesota comprised of transit providers and advocates from all over the state that is independent and focused on improving all transit systems.

Your membership provides MPTA with more resources and a stronger voice at the Capitol.

Created in 1975, the Minnesota Public Transit Association (MPTA) advocates on your behalf for equitable transit funding to improve the service that thousands of Minnesotans rely upon every day.

MPTA membership ensures exposure for your company as well as networking opportunities with others in the transportation sector. Further, MPTA lobbies for funds to expand transit service to all Minnesotans.
